

INTERMEDIATE RYEGRASS

Get ready for the next level in turf performance with **Outlaw II**! The original Outlaw intermediate ryegrass was a groundbreaking blend, combining the attractive turf of perennial ryegrass with the fast establishment and growth of an annual type. It was celebrated for its quick cover, vibrant color, and strong disease resistance, making it ideal for overseeding southern golf courses.

Now, **Outlaw II** dramatically improves on these strengths. Expect unparalleled mowing quality for a consistently pristine look and significantly enhanced turf quality, resulting in a denser, healthier, and more visually appealing stand. **Outlaw II** sets a new benchmark for intermediate ryegrass varieties. Whether you're maintaining a championship golf course or a high-traffic athletic field, **Outlaw II** is engineered to provide superior aesthetics and resilience, setting a new standard for intermediate ryegrass varieties.
