

PERENNIAL RYEGRASS

PROMINENT is an improved perennial ryegrass variety that is a proven performer. **PROMINENT** is one of the darker varieties of its generation and has shown good wear tolerance, early spring green up, good density during the growing season and quick establishment.

PROMINENT has good resistance to red thread and pythium blight. Its fine leaf texture helps provide a dark dense turf during the growing season.

PROMINENT blends well with other perennial ryegrass, fine fescue, Kentucky bluegrass and tall fescue. When looking for the latest technology in perennial ryegrass consider **PROMINENT** for your needs.
