

THOR

TURF TYPE TALL FESCUE

THOR is a top performing variety based on the 2012 NTEP National Tall Fescue Test data collected from 2013-2017. **THOR** is a top rated variety in all regions due to its superior disease resistance, good performance in drought conditions, excellent color, early spring green up and year round density. Its lineage includes past top performing varieties.

THOR has good resistance to such diseases as brown patch, gray leaf spot, net blotch and pythium blight. **Thor** is ideal for blending with other tall fescues, It also mixes well with Kentucky bluegrass, perennial ryegrass and hard fescue.

Proven performance in NTEP's A&B maintenance schedules makes **THOR** a great application for home lawns, parks, sod production, sports fields and commercial properties.
